In response to a request by Jim McIntosh, legal adviser for the Salt Lake County Flood Control, we have changed the date of the hearing on the work being done at 12800 South on the Jordan River from December 6, 1971, to December 13, 1971, at 10:00 a.m. in the Governor's Boardroom, State Capitol Building, Salt Lake City, Utah.

We hope that this new date will be convenient so that all can attend.

Yours truly,

Hubert C. Lambert
State Engineer
